BLOOD POISON.

B. M. LAWSON.

Mr. A. P. W., of Hampton, Ga., has recently emerged from one of the most remarkable cases of Blood Poison on record. His body and limbs had no less than four hundred small ulcers—his bones tormented him with pains—his appetite failed—his kidneys presented frightful symptoms—and all doctors and 100 hottles of the most popular Blood Poison remedy failed to give him any relief. He secured B. B. B., the concentrated quick cure, and five bottles healed up the ulcers, relieved his pain, cured his kidneys, restored his appetite, and made him a healthy and happy man. Any one can secure his full name and correspond with him.
